Mr Adam Rubagotti  
Wahoo Pools

Adam,

I thought I must drop you a line regarding our mutual clients Mr & Mrs Peter Hastings of Palm Beach.

The design and construction of their Pool by yourself and Wahoo Pools has brilliantly complimented the recently completed renovations to their home.

I designed the renovations and additions of the home to compliment the lifestyle and environment of Palm Beach. The pool has captured my vision for the outside areas and has completed the picture perfectly.

The use of glass and tiles in your design highlights the expected style and taste of our clients.

Mr & Mrs Hastings are thrilled with the end result and the combined talents of my company and yours.

In the future I will be recommending you to my clients for their pool requirements.

Kindest regards,

Daren Tye
