

Dear Adam and Carly,

You have just finished renovating our swimming pool and backyard ready for summer and WOW, We now have an oasis! The kids can't wait to jump in as soon as they are through that door and now thanks to our new heating system, they can do just that! We are looking forward to many family days hanging by the pool.

We really can't thank you enough for making this project hassle free, fun and to our budget. We know Wahoo Pools will have a very successful future ahead and we wish both of you all the best.

Thank you again

Amanda Bailey
